

Welcome to the 33rd International Fjord Horse show!

Official show packet released May 2022

SHOW DATES: JULY 15-17, 2022

Please read this packet carefully! There are some changes **highlighted in yellow**. If you have questions please don't hesitate to call or email us: Linda Stevenson (208)659-3127 lnwcraft@gmail.com or Sherrie Dayton (208)755-3329 sunwood41@yahoo.com

The Pacific Northwest Fjord Promotional Group is proud to host the International Fjord Horse Show again at the award winning **Bonner County Fairgrounds, located at 4203 N Boyer Ave., Sandpoint, ID**. You will be happy to hear that Idaho has not had any covid restrictions this year, though some places request masks, but there is no overall enforcement of mask wearing and all stores and restaurants are open.

We are happy to have Aemi Miller as our arena judge for this year's show. Aemi Miller has been a PNW Horse Judge since 2015. Following 11 years with her daughter actively showing 4-H and Washington State Horsemen events, stepping into a judge's role was a wonderful way to bring her 35 years of professional knowledge back into the arena.

Over the course of her judging work, she has officiated over numerous disciplines. This is including, but not limited to, Dressage, Driving, and Equitation. Also, any opportunity for continuing education is met with enthusiasm. Judging clinics and trainings through the Oregon and Washington State University system are favorite past times.

Mrs. Miller has a background in showing Dressage and Hunter/Jumpers. She has also maintained a professional operation in training and instruction for the last 25 years.

Her personal interests include endurance riding and driving, and her day job finds her maintaining the family's small scale breeding operation and working as a farrier.

Also joining us as our Trail Judge is Arielle Brown. Arielle has competed at the Mountain Trail National Championships in Oregon several times in the Open and Bridleless divisions. Her favorite trail obstacle is working gates of all varieties. She loves that trail allows you to think inside and outside the box. She has spent many summers on different horses competing at all types of trail shows in English and Western styles. She currently works as a trail guide and is herd manager for the Red Horse Mountain Ranch which is a dude ranch in Harrison, Idaho with lots of adventures for the family. <https://redhorsemountainranch.com/>

We are excited to have both of these judges and they have been invited to join us for our potluck and any evening activities as well.

Our show committee members are Sherrie Dayton and Linda Stevenson

Ring Steward – (volunteer(s) needed)

Scribe for Dressage Classes – volunteer(s) needed

VOLUNTEERS! This is a club event and requires a lot of volunteer help before, during, and after the show. Everyone is expected to help whenever they can. We always need help with setup and cleanup for the meals, organizing and handing out ribbons for classes, spotters, timers, and obstacle repair during some game classes, exit gate people and more. We especially need help for the ring crew boss setting up for specific classes and **EVERYONE SHOULD HELP TO CLEAN UP AFTER THE SHOW INCLUDING TAKING THE VENDOR TENT APART, MOVING TABLES, AND PACKING UP THE TRAILER WITH ALL OF OUR SUPPLIES.** You can jump in

and help during classes or ask the ring crew boss or offer your services to any show committee member any time in person or by filling out the volunteer form in this packet and submitting it with your registration. For specific volunteer positions please see enclosed volunteer form.

REQUIREMENTS FOR HORSES

- In order to participate in the show each horse must have an NFHR, Canadian, or recognized Fjord organization registration number and participant needs to be a member of the PNFPG (which can be added on the entry form). Memberships are good for 1 yr or 5 years from the signup date.
- Each horse must have a current/valid health certificate and a copy of their registration papers (if pending) or registration number on the entry form. If you are crossing state lines please make sure that you have all paper work required by the state you are leaving and entering (i.e. Coggins, brand inspection, etc.) and all required vaccinations. **Please include a copy of your horse's paperwork with your entry forms or bring the paperwork with you! You must present it in order to pick up your show packet.**
- Please practice sanitary methods while on the show grounds: do not dip the hose end into a bucket, use hand sanitizers in between petting horses from different owners, etc.

FAIRGROUND POLICIES:

- Smoking is not permitted in or around the barns or inside any buildings at any time. Please dispose of cigarette butts appropriately.
- Alcohol is only permitted in your personal camping area.
- Dogs need to be on a leash at all times and are not allowed in any buildings or the grandstands.
- If you plan to bring an ATV/golf cart type vehicle to the show, Bonner County Fairgrounds requires that you have liability insurance on it for the duration of the show. This can usually be added for minimal cost. Please bring documentation of this to the show and keep it in your cart. They have had problems with other shows and have had to make this a rule.

HORSE FACILITIES:

- Stalls are \$30/stall/event. This covers July 14-18. If you need to arrive earlier or leave later than those dates the cost is \$30/day/stall which needs to be added on your entry form. Please let us know if you will be arriving or leaving outside of those dates.
- Tack stalls are also available at the same price; add that to your total stall fees
- Bulk shavings will be provided for FREE from Idaho Forest Group
- Stall stripping services will **NOT** be provided. **You are responsible for completely stripping your stalls before leaving.** A charge of \$25/stall will be assessed by Bonner County on any stall left unstripped and the PNFPG will pass that on to the stall occupier.
- Please post your horse and owner contact information outside of your stalls. The PNFPG is not responsible for damages to your horse, equipment, lost or stolen items, or anything which is your responsibility. If your horse greatly damages a horse stall (like chewing, excessive kicking) the Bonner County Fairgrounds will charge us for the damage and we will pass those charges on to you.
- We will be assigning stalls so if you have a request as to how your horses are to be arranged or if you have specific stalls that you would like to request or people you would like to be stabled near, please let us know and we will do our best to accommodate you on a first come/first served basis depending on the date we receive your entry form. You can write your stalling requests on the back of the entry form in this

packet and mark the box next to 'stall preference'. If you have questions about the stalls, please contact Michelle Noonan fjordlady@hotmail.com or 406-777-0426.

- NOTE: please do not leave horses tied to trailers unattended. There have been some narrowly averted disasters because of this in the past.
- Lunging/Bull pen: please be considerate of other members who may wish to use this and follow directions on the sign posted on the pen. Thank you.

CAMPING & HOTELS:

- Sandpoint has numerous local and chain hotels as well as shopping and dining options. The two closest hotels are Hotel Ruby Ponderay or Fairbridge Inn & Suites.
- Full Hook-up RV campsites with showers are available in the RV campground at the fairgrounds for \$25/night but you must call the fairgrounds office at (208) 263-8414 or make reservations online at www.bonnercountyfair.com . Click on the RV CAMPGROUND tab to see a map of the spaces and then click the RESERVE AMERICA link. Make a reservation as soon as possible because this campground fills up quickly with people traveling through the area so don't delay! **You will need to pay Bonner County directly for camping fees in the RV campground. Payment can be made by credit card at the time of reservation or through the camp host when you arrive. Please do not neglect to pay because they will bill the PNFPG for unpaid campers.**
- There is lots of space for dry camping on the grounds and there are a few limited power outlets scattered around the grounds. **DRY CAMPING ANYWHERE ON THE FAIRGROUNDS IS ALSO \$25 PER NIGHT**
 - If you will be camping anywhere other than in the RV campground you can include those costs on your show packet. A map of the campground and the facilities will be posted on our website in the show packet section.

OTHER ITEMS:

- ANNUAL RAFFLE AND AUCTION FUNDRAISER: Raffle items will be available for display on Friday and Saturday at Betsy's booth next to the arena. Tickets will be available for sale and you can fill them out and put as many as you like in the jars for the item(s) you want. On Saturday night we will have our annual potluck dinner during which we will be pulling winning tickets for the raffle items and a live auction will follow for a few items. **PLEASE COME PREPARED TO PAY FOR YOUR AUCTION ITEMS SATURDAY NIGHT.** Potluck and auction will be held in the grandstands or in Betsy's booth.
 - Please look around your house and barn and bring something with you to add to the raffle & auction. This is always a fun evening and helps to add to the financial success of the show. Many thanks to all who participate.
- SPONSORS: If you would like to sponsor one of our classes you will find a form in this packet. Sponsorship really helps to defray the costs of the show. The announcer will try to read the sponsor form during the class sponsored.
- CANADIAN COMPETITORS: we'd like to encourage our Canadian members to compete by accepting Canadian checks at U.S. value, though we realize that in 2022 the borders might be a hassle to get through for 'non essential' travelers.

- SHOW PHOTOGRAPHER will be Sue Wilson. You've seen some of her gorgeous photos on Facebook and she's been a great photographer for our past shows. DVD copies of the 3 day show will be available for purchase. Please fill out the order form in your entry packet or available at Betsy's booth.
- OUR FOOD VENDOR will be Smokesmith BBQ. He will provide a variety of options for breakfast and lunch including gluten free. Please plan on supporting them for some, if not all, of those meals. It is difficult to find vendors willing to serve at our show because of the low volume so your support is essential. This vendor stepped in when our previously booked vendor had to cancel in May so we are very appreciative.
- TRAIL CLASSES: Sandpoint has a permanent trail course that will be open almost all day for you to go through at your convenience. In an effort to make things easier for competitors and our trail judge, we will have both ridden and driven courses set up at the same time so competitors can go through either Friday or Saturday during the hours stated on the class schedule or by special arrangement with Arielle. Arielle will announce her walk thru times on Thursday night.
- DRESSAGE TESTS: English and Western Dressage tests will be offered again, this time in a full size dressage arena set up in warm up arena
 - **We are allowing each horse/rider combination to enter any or all of the dressage tests offered.** We realize these tests may be at a lower level than some are currently competing at and also a first try for others but this is a fun club show and we hope you will enter all classes and tests available to you. Points for each horse/rider combination will count towards the show Hi Point for that combination.
 - **sign up sheets will be available for each class so you will know the 'order of go'.** Assume 7 minutes per rider for planning purposes. If tack changes are required please sign up for a later 'go' slot. Please be aware of the status of the class and be ready for your 'go' slot. Riders can gather outside the south end of the warm up arena.
- ENTRY DEADLINE: entries must be postmarked by **June 30, 2022**. Entries received after that, have a higher per class fee. All fees will be returned if you cancel prior to July 8, 2022 or if the show has to be cancelled for any reason. No fees will be refunded after that date without a veterinarian's or doctor's statement explaining why a horse or rider is unable to participate. No fees will be refunded during the event. If you drop a class and do not replace it with another there is no refund for dropped or missed classes. **We strongly encourage you to get entries in early as it is very stressful for show management if the majority of entries arrive at the last minute and also it is less expensive for competitors.** We can always make class changes later if necessary. Please remember to notify the show secretary or the whipper-in if you need to scratch a class so that we don't hold up the class waiting for a competitor who is not coming.

**** PLEASE BE SURE TO ENTER YOUR CHILD IN CLASSES THAT ARE APPROPRIATE FOR THEIR AGE AND SKILL LEVEL. LEAD LINE IS WALK ONLY WITH SOMEONE LEADING THE HORSE. NOVICE IS WALK/TROT ONLY. HORSES WILL BE EXPECTED TO CANTER IN JUNIOR RIDDEN CLASSES UNLESS IT IS DECLARED A WALK-TROT CLASS.**

WHEN YOU ARRIVE AT THE SHOWGROUNDS:

- **STALL ASSIGNMENT:** Upon arrival, check the stall assignment chart which will be posted on the south end of the first barn.
- **SHOW PACKETS** Show packets will be handed out Thursday afternoon/evening in the grandstands or at the show office. Bring your horses' paperwork (if not already sent in with registration) and come prepared to pay for any outstanding charges not covered with your registration.
- **SHOW OFFICE** will be the small booth just outside the arena. Show office hours will be posted there. Please respect the hours and our secretary. Any class changes need to be handled during office hours and MUST BE DONE PRIOR TO THE START OF CLASSES THAT DAY. No one will be allowed to compete in a class unless they are on the list for that class. Please make sure you have the correct number for your horse in each class!!!!
- **PNFPG MANDATORY COMPETITOR MEETING on Thursday night at 7:00pm in the grandstands.** Times for walk-thru with the trail judge for ridden and driven trail classes will be announced at this time as well as other pertinent information.
- **FRIDAY NIGHT:**
 - **5:30 DINNER** - We will be providing pizza. Bring your own drinks. Please add \$5.00/person to your entry form or bring the money with you to help cover the costs. If you have special requirements such as gluten free or vegetarian meals, please make a note of that on your entry form.
 - **6:00pm bi-annual club meeting in the grandstands**
- **SATURDAY NIGHT POTLUCK, RIBBONS, AUCTION, RAFFLE** – the potluck starts at 6:00pm. Please bring a dish to share and your own drinks. Paper goods are provided. During the potluck we will be announcing trail class placements and handing out ribbons. We will also pull tickets for raffle winners of the various items donated by generous members and auction of a few items.

AWARDS

Classes will be ribboned 1st through 6th. In addition to class ribbons we have the following special awards. If you plan to compete for Family Fjord, Versatile Horse, or High Point, we are waiving the fee per award this year. However if a horse is to be entered into any of these competitions, this must be declared on the entry form or added before the show starts on Friday. No entries are allowed after the show starts. Please note that High Point is included in this list as we are attempting to revise the HP system.

KELSI COOK FAMILY FJORD HORSE AWARD – This is a perpetual award given in memory of Kelsi Cook who was a lovely young horsewoman that actively promoted Norwegian Fjords at open and breed shows and as a member of the Mounted Horse Search and Rescue. The Norwegian Fjord Horse is the ultimate family horse. It is common for different family members to use their Fjord(s) in many and overlapping disciplines. For competition purposes the term “family” includes any and all family members related by blood or marriage. To be considered for this award a single horse must be shown in multiple disciplines, by multiple people, of varying ages and skill levels. A family cannot win the award 2 years in a row. The points are awarded as follows: One point will be awarded for each family member for each class who participates with the same

horse, regardless of placing. In addition they will also receive any placing points: First: 10 points, Second: 8 points, Third: 6 points, Fourth: 4 points, Fifth: 2 points, Sixth: 1 point. *We have retired the large Henning carving. You will receive your very own Henning carving to keep forever!

THE VERSATILE HORSE AWARD - This award is meant to show the versatility of the Fjord Horse. The winner of VHA must have the highest total points from four mandatory classes and one optional class.

The mandatory classes include:

1. English Pleasure-open
2. Western Pleasure-open
3. Single Pleasure Driving-open
4. Single Horse Log Skid

One additional class, for the 5th class, may be selected from *any open trail, single cones (or derby), or hunter hack class*

Since VHA is awarded on the skill of the horse, more than one rider/driver is allowed.

PATTY PETERSEN PERPETUAL AWARD for single novice driving.

This is a perpetual award given to the winner of the Novice to Drive class in memory of Patty Petersen. Patty had been an early member of PNFPG and an organizer of the International Fjord Horse Show. She worked tirelessly promoting Fjords and the Fjord Horse show. This award is a way of honoring Patty's love of driving and her love of Fjord horses and the International Fjord Horse show.

SENIOR AND JUNIOR HIGH POINT CHAMPION—This year we will be offering High Point & Reserve Ridden, High Point & Reserve Driven/Draft single, High Point & Reserve Driven/Draft Pairs and High Point Junior (for ridden and driven/draft classes). These awards will be based on the accumulated number of points for one competitor combination. Classes marked with an asterisk (*) do NOT count towards high point. High Point is based on one competitor/horse(s) combination. Owners of multiple horses can compete for high point with more than one horse but points earned are specific for each combination. When junior classes are offered, only those classes will count towards junior high point, however if a separate junior class is not offered or cancelled due to not enough entries, the junior can enter the equivalent adult class and points will count. If we get enough junior drivers to have separate junior driven classes we will separate the Junior High Point awards for ridden and driven.

Ribbon Point Values are as follows: First: 10 points, Second: 8 points, Third: 6 points, Fourth: 4 points, Fifth: 2 points, Sixth: 1 point

- Novice rider classes are open to riders which have not won a first place ribbon at a Fjord Horse Competition in the particular performance division or level in which they are shown.
- The status of Novice entries is as of the closing date of entries for any particular Competition.

3.2 SAFETY RULES

1. All persons involved in the competition: show committee, exhibitors, officials, spectators, etc., should keep safety foremost in their minds.
2. All officials and management should constantly be on the lookout for unsafe actions by any participant or unsafe equipment and report the problem to the judge. The judge must excuse from competition any unsafe tack or vehicle, unruly horse, or exhibitor clearly out of control.
3. In the case of an accident, the judge or management may require a safety inspection of the vehicle and/or tack involved before allowing either to be used in succeeding classes.
4. If weather appears to be imminently affecting the safety and welfare of horses and/or exhibitors, it shall be the responsibility of competition management to stop the competition until it is safe to recommence. If a competition in progress must be stopped due to a storm, accident, or other emergency, the Show Committee will decide whether to re-commence. The judge will decide 1) to hold the class over in its entirety in which case no scores credited in the first session will count, or 2) to re-commence the class where it was interrupted.
5. If a horse presents a risk to itself, handler or viewing public, the Show Committee may remove it from the show.
6. Removal of a bridle from a horse while hitched or leaving a horse unattended while hitched will result in discharge from the show.
7. Dogs must be on a leash or crated at all times.
8. All Horses pulling vehicles without brakes must be wearing britchen. Exceptions--Leaders of a four-up, tandem, or draft work pulling logs or sleds.
9. If a runaway happens inside the arena during a class, when possible, all exhibitors are to go to the center of the arena, and if mounted, dismount. Driving exhibitors should remain in the vehicle and grooms head the horses. If a runaway happens outside the arena, all mounted riding exhibitors should dismount immediately and all other exhibitors and spectators are recommended to head out of the way.
10. All harness, tack, and vehicles must be well fitted, safe, and in good working condition.
11. It is recommended that all Green, Maiden, Novice, Junior, and Amateur exhibitors have a safety check prior to the start of the class.

At the judge's discretion, the exhibitors may be asked to individually perform one or more tests. Each rider will be judged on their ability and position.

4.3.2.2 English Equitation: Rider should have a workmanlike appearance, seat and hands light and supple, conveying the impression of complete control should any emergency arise. Attire is not judged, but riders should wear attire for any English class. Tack should be suitable for an English class. At the judge's discretion, the exhibitors may be asked to individually perform one or more tests. Each rider will be judged on their ability and position.

4.3.2.4 Western Seat Equitation

Riders will be judged on seat, hands, performance of horse, appointments of horse and rider, and suitability of horse to rider. Results as shown by the performance of the horse are NOT to be considered more important than the method used in obtaining them. Riders enter the ring at a walk or jog and are judged at a flat-footed four beat walk, two-beat jog, and a three-beat lope both ways of the ring. The order to reverse may be executed by turning toward or away from the rail. All competitors are required to back in a straight line during the lineup. At the judge's discretion, the exhibitors may be asked to individually perform one or more tests.

Horses may also be asked to canter/lope (Exception: Walk-Trot, Lead-Line, and In-Hand). All entrants are to be judged on willingness, manners, and ability to complete obstacle without hesitation. **Note: driven trail will be walk or trot only, no formal attire is required but should have a helmet; must have whip in hand. A navigator is optional for emergency purposes but required for pairs.**

Points will also be awarded for riders'/drivers' patience and ability to encourage the horse in each obstacle.

In Hand Lead Line Trail

This class is designed for the young horse. Horse must be led from the ground (no ponying). If horse is a weanling age, a second handler can bring the mare into the trail area but the mare is not to be led through the obstacle first. She is only there to quiet the foal. Alternately a second handler (without mare) may be in the trail area in case of a problem to help handler get control of the horse but otherwise not to interfere or help in any way.

4.4.2 LOG SKID

The purpose of this class is to show that you can maneuver a log precisely through a tight set of imaginary trees (cones) in the fastest time. To be shown in work harness at a WALK. Entries to pull two 12 to 16½ foot logs through a cone pattern with the cones set 8 to 12 feet apart, measured from base to base. **Judging will be based on faults**, with time used to break any ties. Time will start when horse crosses the start line. To begin proceed to front of logs and 4 cones. Back through cones and hitch to logs, cross start line to run course. Follow posted pattern. Horse is to travel through first set of double cones, stopping logs as close as possible to the center line of first cones. Five faults for knocking over a cone and one fault per inch for stopping away from the starting line. The time stops when the log stops at the finish line. Trotting, cantering, maneuvering the log with the driver's foot, and riding of the log are causes for elimination.

PATTERN MAY VARY SLIGHTLY WITH EACH SHOW. SEE POSTED PATTERN

If available logs are smaller, cones will be adjusted accordingly. (*our logs are 12' so the smaller distances apply*).

4.5.2 CLOVERLEAF BARRELS

Three barrels shall be placed to form an isosceles triangle. The distance between the three barrels is 75 feet. The distance between the timing line and the first two barrels is 60 feet. The rider or driver must completely circle each barrel, and may start with the right barrel or the left barrel. Drivers must walk or trot, and riders may walk, trot/jog or canter/lope. Any safe attire and equipment allowed but juniors should wear a helmet. **This is a timed class.** The knockdown or touching of a barrel is 5 seconds penalty and is added to the total time taken to complete the pattern. Not following a proper pattern is elimination.

The Sandpoint Prize List shall permit cantering in both driven and ridden classes.

4.5.7 COSTUME CLASS

To be shown in costume at a walk. The exhibitor can ride or lead the horse. The exhibitor and horse are in costume. A team of two or more exhibitors and/or horses may enter under one number. Judged on creativity and originality.

[The Sandpoint Show management is requesting that each entry submit a form to the show management prior to the class, describing their costume, participants, and horse name\(s\) for the announcer to read during the class.](#)

The Sandpoint Prize List shall judge adults and juniors separately

4.5.9 POLE BENDING

Six poles placed 21' feet apart in a straight line with the first pole being 21 feet from the timing line. The entry shall cross the timing line and proceed on either side to the 6th pole on the far end, make a 180 degree turn around the pole, bend through the poles back to pole 1, circle pole 1, bend around the poles back to pole 6, make a 180 degree turn and return to the timing line. **This is a timed class.** Going off course is elimination.

The Sandpoint Prize List shall permit cantering in both driven and ridden classes. Single and Pairs driven to ribbon separately if more than one entry in that division.

4.5.10 HURRY SCURRY

Horses will go through the timing line, go down the right side of the course jumping one 12 inch jump, making a left turn around the pole, and jumping two 12 inch jumps and go through the timing line to finish the course. or; down the left side jumping two 12 inch jumps; making a right turn around the pole, jumping one 12 inch jump and go through the timing line. **This is a timed class.** SPECIAL PENALTY: Knocking down an obstacle or dislodging an obstacle from a stand will result in a 2 second penalty for each obstacle dislodged or knocked down. The rider will be disqualified if all four feet of the horse do not go over each jump and the course is not corrected.

JUNIOR OR ADULT WALK-TROT PLEASURE –rider cannot cross enter with any open or junior pleasure class. English or Western tack. Show attire not required. Helmets and boots required. At the discretion of the judge, competitors may be asked to walk, jog/trot, halt, backup, or possibly do individual patterns such as a figure eight but no cantering or loping. Competitors judged as in a pleasure class.

DRESSAGE TESTS: For 2022, tests offered are specified in the class schedule and descriptions can be found with the patterns posted separately on our website with other patterns. Tests can also be found online. Arena letter placement pattern will also be included for the long dressage arena. Attire should be that of any English or western equitation class however if you do not have official attire but would like to try taking the test you may do so. It will be up to the judge if points are taken off for that. However boots and helmet or western hat are required.

FLAG RACE: Timed event. Rider / Driver enters through start/finish cones and races to the barrel containing the pole with flag attached; grabs the pole, races around the far cone and deposits the pole in the second barrel, then races to finish. Drivers may have an assistant riding in the carriage/cart to handle the pole.

DERBY: Driving competition similar to a marathon obstacle at a CDE. Drivers will enter the arena. When given the signal that timers and judges are ready, they will proceed through the entry cones and follow the pattern through sets of cones and sets of obstacles. The obstacles will be flagged with letters or numbers and driver is required to weave through the obstacle in the proper order of the letters or numbers (aka gates) **with the red marker on the right**. Pattern will be posted during the show. **This is a timed class** with penalties for taking obstacles in the wrong order or direction, missing obstacles, or knocking balls off the cones. Each ball dislodged adds 5 seconds to the competitor's time. Numbered cone gates can be driven only once, in the proper direction, in numerical order and remain "live". Passing through a gate out of sequence or in the wrong direction must be corrected before driving through the next gate. Fail to correct course = elimination. Course corrected prior to the next gate = 20 second penalty. Knocking down part of an obstacle (e.g. a barrel) will result in a 5 second penalty. If the obstacle must be rebuilt in order for the competitor to continue, time will stop while it is corrected. An additional 5 second penalty will be added and the competitor's time and the competitor must re-enter the obstacle at "A". An error of course within an obstacle can be corrected prior to entering the next gate, but will add 20 seconds to the competitor's time (example: driving A-D-B-C-D-E will add 20 seconds because D was driven before B). Gates within the obstacle are "dead" after they have been correctly driven through (e.g. after driving through A or B, a competitor may drive through these "dead" gates to take a shorter route to C, D or E). Example: Driving A-B-A-C-D-E is not an error in course, as A is a dead gate after being driven through the first time.

- For additional penalties and rules, reference "driving derby", ADS appendix CD-C, page 208

See 4.2.4 Obstacle Driving (cones) for related specifics.

The prize list for the Sandpoint Show shall permit cantering in all the derby driving classes except the novice derby driving which is restricted to walk/trot.

WORKING EQUITATION STYLE RIDDEN / DRIVEN DERBY: A combination of WE speed obstacles, cones, and driven derby course. The pattern and obstacle descriptions will be included with show patterns posted online. Please refer to the specific description of your ridden or driven course pattern. Each obstacle must be completed in the right order but is only judged on time and penalties. Exception for 2022 pattern: obstacle #14 is an optional 12" jump but if you don't take it, 10 seconds will be added to your time.

There is a 5 second penalty for knocking over a ball or cone. Riders will not be judged on how well they negotiate an obstacle, they just have to get it done correctly in the correct direction and order. Rider will be whistled off if horse will not negotiate the obstacle after 3 tries. Skipping or refusing an obstacle is elimination but you will be allowed to finish and you may not realize you were off course. If you miss an obstacle, you can go back to it if you have not already started the next obstacle in the proper order. This is modeled after aspects of the WE competitions but has been modified to fit our equipment, space, and time constraints. Seniors and Juniors will ribbon separately. Information about the sport of Working Equitation can be found at www.weunited.us and there are lots of examples of negotiating the obstacles on You Tube.

The prize list for the Sandpoint Show shall permit cantering in the WE style derby class except for novice which is restricted to walk/trot.

DOUBLE JEOPARDY, 2022 pattern: two drivers in the same cart. First driver goes through derby obstacles from start through obstacle nine, same as in the derby. After #9 driver must come to a full halt while second driver gets hold of the reins, turns around and takes the same obstacles in reverse order (9 through Start) and reverse direction (so red cone will be on drivers left, travel through L- turn will be in reverse direction and circles around barrel obstacles will be in reverse direction and order, C,B,A. This is a timed event. Off course is elimination.

SUPER REINSMANSHIP: this class is open to **all** drivers because only one competitor is in the ring at a time. The Super Reinsmanship test 1 can be found on the ADS website https://www.americandrivingsociety.org/content.aspx?page_id=22&club_id=548049&module_id=407753 and the pattern is also included with the rest of our show patterns. It differs from the reinsmanship class in that there is no group part included. It is like a mini dressage test for drivers.
